Sand piles, swings, toys in abundance, and a well-protected playground under the trees will make the children more comfortable than if you keep them with you after they are tired with sight-seeing. Inside the building are two rooms—one provided with bunks for very small or sleeping babies, and a separate room for the high-chair babies who want to be amused. A charge of 10c. per hour is made for this service; reduced rates to families with several small children who will play together.

Measurement

11. Horses and Ponies shall be measured by such persons as the Executive Committee appoints, in the shoes in which such horses and ponies came on the premises of the Association, and such measurement shall be taken as correct, unless the Judge of the event in which such horses or ponies are entered shall direct re-measurements to be made by some veterinarian appointed by the Executive Committee, and if the result of such re-measurement shows that such horses or ponies were not qualified for entry in the event in which the same had been entered, then such Exhibitor and such horses and ponies shall not be entitled to any award; provided that the above disqualification shall not apply to cases where only one horse or pony of a pair shown or exhibited in a subdivision of a horse or pony event does not exceed half an inch over the height prescribed by the published conditions for such subdivided event, in which such pair is entered, but this proviso shall not qualify any horse or pony that is not within the qualifications prescribed hereby or by such published conditions, for any single harness horse or pony event for which said horse or pony is not properly qualified.

Duties of Exhibitors

12. No animal or exhibitor shall be decorated with medals or prize ribbons until after the awards have been made in the respective events in which such animal is shown or exhibited.

13. Every exhibitor shall, either by himself or by some person appointed by him in his place, be in charge of any animal shown or exhibited by such exhibitor in any event, and such exhibitor or such appointed person shall be in attendance, neatly and properly dressed, accompanied by the animal to be shown or exhibited, at the place appointed by the Directors for the event in which such animal is to be exhibited or shown, at least thirty minutes before the time appointed by the Manager for the holding of such event.

Authority of Officials

14. The Directors shall be at liberty for cause, or in their uncontrolled discretion, and without giving any reason therefor, to bar any exhibitor and any animal from participating in, or continuing to participate or compete in, any event; and also cause any such exhibitor or any such animal to be removed from off the premises of the Association.

15. Every animal shall be produced by the exhibitor thereof at such times and at such places, and for such purposes, and shown or exhibited for such time and in such manner as the Manager or Judge of the event in which such animal is entered shall direct, and any refusal of such exhibitor to obey any such directions shall be construed as cause for such Manager or Judge to exercise the like powers which are hereby vested in such Manager or Judge as are vested in the Directors by Clause 14 hereof.

16. Every animal entered or offered for entry in any event shall be subject to such examinations at such times and places and by such veterinarians as the Manager appoints.

17. Where the total number of exhibitors in any event is less than three the Executive Committee shall be at liberty to amalgamate such event with any other event of the like character, and where there is only one exhibitor in any event, or where the Judge is of the opinion that the animals exhibited do not justify an award, such Judge may withhold the awarding of any award for the same.

18. The Judge of any event may, if he deems it necessary, in order to make an award, ride or drive any horse or pony being shown or exhibited in such event, and such Judge may, if of the opinion that any horse or pony being shown or exhibited is not sufficiently under control, bar such horse or pony from further showing in such or any other event.

Fraudulent Practice

19. If any exhibitor be guilty of any fraudulent practice or shall conspire with another person for the commission of, or shall connive with any other person for the commission of, any corrupt or fraudulent practice in relation to any event, or shall show or exhibit an animal not properly entered, or shall administer or cause to be administered a drug or stimulant internally or by hypodermic method, prior to or during any event, or who shall use or cause to be used appliances, electrical or mechanical, other than the ordinary whip or spur during any event, shall be disqualified by the Judge from further participating in the event in which such offence occurs, and such Judge may also exercise all the powers given to a Judge under Clause 15 hereof.

20. Any exhibitor who shall at any time or at any place attempt to interfere with or influence any Judge or any official of any event or of the Association, or who shall at any time on the premises of the Association be intoxicated or use improper language to any such Judge or official, or to any of the public resorting to such premises, or refuses to accept any award made by a Judge shall, at the discretion of the Manager, forfeit any award already made to him, and the Manager may, with like discretion, exercise all the powers given to the Directors under Clause 14 hereof.

Challenge Cups

26. Every exhibitor on being awarded a challenge cup by a Judge shall not be entitled to delivery of such challenge cup until he shall have entered into bond to the Association in such form and with such sureties as the Executive Committee requires, and conditioned that such exhibitor will return to the Association in good condition such challenge cup for shows or exhibitions as the Association shall require the same in competition.

To the Cream Shippers of the Edmonton District

In doing business with the E.C.D., you are dealing with an institution which has been built up on the solid foundation of dependability, honesty and service.

The E.C.D. always keeps its word. We try to give you the best service at our command by promptly handling your cream and by our tireless efforts to help you to make the most money out of your product.

Our business is not controlled by the mere selfish reason of dollars and cents, because we realize that your success means our success, and the more we can help you to produce profitably, the more contented you will be and the better our business will be.

We have watched the Alberta Dairy Industry grow from a few scattered creameries until in 17 years it has attained an annual output of 15 million pounds. We have been privileged to have a small part in this development, and we ask your co-operation in enabling us to still further take care of your interests.

The Printing Press

Is either a beautiful piece of mechanism exercising a tremendous influence on your business—or it is a repulsive juggernaut crushing out your hopes of success through printed salesmanship. It all depends on what is fed to it; the sort of craftsman who feeds it, and on the brains of the men who run it.

We are proud of our ability to control a printing press; to see that it never becomes a juggernaut.

Byers' Educated Horse Show

For some years the Edmonton Exhibition management have endeavored to secure for the summer exhibition programme an exhibition of chariot races, Roman standing races, and relay races, etc., worthy to be included with the high class platform acts secured for the grand stand. This year Wm. Byers' Educated Horse Show has been engaged to give these features.

Sixteen head of horses will be used, eight of which are cream horses, six are chestnuts, and the balance black-and-white. Two four-horse chariots will give thrilling races; three Roman standing teams with two horses each, two lady riders, trick riders, and educated horses - all combine to give a programme which cannot fail to please. This is an act which, while pleasing to those who love contests of skill and speed, is at the same time pleasing to those who love animals; the horses are better cared for than the average child.

Exhibits in the two previous classes should be shipped so as to reach the Dairy Building on the Exhibition grounds not later than Saturday, July 14th, at 6 p.m. The prints must be wrapped in parchment wrappers bearing the printed words, "Dairy Butter" in letters not less than one-quarter of an inch square. Wrappers will be sent upon application.

Additional CASH PRIZES For Bread

READ THIS CAREFULLY

To every exhibitor winning a 1st, 2nd or 3rd prize in any of the bread classes, with bread or buns made with White Star Yeast Cakes, we will send our cheque for additional prize money as follows:

To all winners of First Prizes.....\$10.00 each

To all winners of Second Prizes.... 5.00 each

To all winners of Third Prizes..... 3.00 each

This is found money for successful exhibitors. Costs neither time, trouble, nor money. No additional exhibit required; no entry fee. White Star Additional Prizes are given on the awards made in the bread classes. Make your Exhibition entries in the ordinary way, decide to use White Star Yeast in making your exhibit, and write us to say that you are exhibiting. We will then send you entry card for the White Star Added Prizes.

20 First Prizes, 20 Seconds, and 20 Thirds were awarded at the exhibitions of 1920, 1921 and 1922 in the classes for home-made bread and buns made with yeast. Of these, exhibits made with White Star Yeast won no less than

20 Firsts out of 20 awarded;

17 Seconds out of 20 awarded;

19 Thirds out of 20 awarded.

Exhibitors using White Star Yeast have drawn \$342.00 in White Star Added Prizes in addition to the prizes given by the exhibition. Exhibitors using all other yeasts took only three Seconds and one Third in the three years. It is therefore clear that by using White Star Yeast you greatly improve your chance of winning a prize, besides getting the extra money if you win.

Intending exhibitors in the classes for bread or buns should write us not later than about July 2nd. The White Star Added Prizes will be paid only to winning exhibitors whose White Star entry cards are in our hands before the opening of the exhibition.

Tom Mills

The most original of mirth-provoking bicycle comedians, using freak wheels; he possesses marvelous agility while simulating gawkinsness, cleverness while pretending stupidity, and his most difficult tricks are mingled with convulsing comedy.

CAMPING GROUND

DEPARTMENT TWELVE

The Camp Ground at the Edmonton Exhibition has been very popular with visitors from outside points, who find this method of bringing their families to the Exhibition preferable in many ways to boarding in hotels or private houses.

Bring your own tent—or write and let us hire one for you; we have very favorable arrangements for renting tents from a reputable tent company, and we own tent frames of all sizes. We also own double iron cots, equipped with straw mattresses, which we hire at reasonable figures. Bring along your family in the motor car, and camp for Exhibition Week on the Edmonton Exhibition Grounds. Every privacy afforded, and a maximum of comfort at a minimum of cost.

CO-OPERATIVE SALE OF WOOL

Membership fee \$1.00. Sacks, 65c each; twine 1½c per string. Write for pamphlet giving full information, and application forms.

GATES GRANDSTAND AND ADMISSION

DEPARTMENT THIRTEEN

Directors in Charge, H. J. Roche and D. C. McLean

All Fair admissions exempted from war tax by the Alberta Government.

Admission to Grounds

The gates will be open to visitors after 6 p.m. on Monday, July 16th, and for the rest of the week from 7 o'clock a.m. to 11 o'clock p.m. each day.

The price of admission will be 50 cents each time of entering. Children under 15 years and over 8 years, 25 cents each time of entering. Children 8 years old or under will be admitted to the grounds free. Entrance to Grandstand 50 cents for adults and 25 cents for children. Reserve seats, 25 cents.

Season tickets can be purchased for \$2.00 which will admit through outside gates at any time, but are not transferable.

Drivers delivering goods on the grounds before 11 a.m. will be admitted free. Delivery vehicles must enter the grounds by the Willow Avenue gate.

Necessary Attendants upon stock will be furnished with special tickets by the owners applying at the Manager's office on the grounds. These tickets will bear the names of the persons to whom they are issued, and if presented by any other person will be forfeited.

No attendant's ticket will be issued to any exhibitor whose entry fees amounted to less than two dollars, but such exhibitor may purchase a season ticket for two dollars.

Judges and members of the Press will be furnished with tickets and badges, the badges being intended as a means of showing their official connections with the Exhibition, and not for the purpose of securing admission to the grounds.

Parties bringing exhibits to the grounds at the proper time will be admitted with same by the entry ticket accompanying exhibit; but afterwards such persons must be provided with regular tickets as above or they will have to pay the regular admission fee.

All persons remaining on the grounds over night must provide themselves with proper admission for the following day.

RAILWAY TRANSPORTATION

DEPARTMENT FOURTEEN

Superintendent, P. Soderberg

The Superintendent of Transportation, whose office is located beside the railway platform, will be prepared to quote lowest tariff rates and to bill freight for shipment (at the close of the Exhibition) to any point, a facility every exhibitor will appreciate.

Consign Your Livestock

Consign all carload exhibits to the Exhibition grounds to avoid delay in switching. All exhibits can be unloaded from cars on the grounds.

Transportation of Exhibits

Exhibits should be billed to the exhibitor at Edmonton, at full single rate, and if they do not change hands and a certificate to this effect is obtained from the Manager, the railroads will return their exhibits free. (The railroads do not include race horses in this arrangement.)

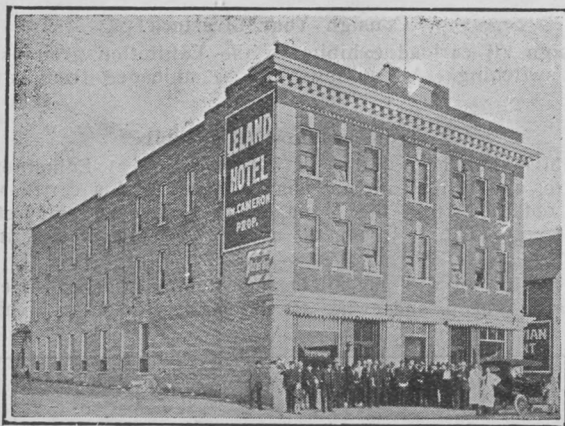

The Exhibition will pay all local switching charges on exhibits of horses, cattle, sheep, and swine attending the Edmonton Exhibition.

REDUCED PASSENGER RATES

A special passenger rate of a fare and one third for round trip will be in force for the Edmonton Exhibition from all stations in Saskatchewan and Alberta. Selling dates are from July 14th to 20th, and July 21st for trains arriving not later than 2 p.m. Return limit is July 23rd.

PLENTY OF SPEED AND THRILLS IN AUTO RACES

MONDAY, JULY 16th, and SATURDAY, JULY 21st, 1923.

Veteran dirt track drivers are shown here tearing up the oval in the big speed battle at Atlanta, Georgia, U.S.A., last year. Many of these drivers are invading Canadian territory for the first time this year in search of new laurels and will compete in the Edmonton Exhibition auto races on Monday, July 16th, and Saturday, July 21st. Attempts will be made to lower the Canadian records over the half mile course by some of the leading pilots in the specially constructed dirt track machines they will bring with them.

Under rules and with sanction of the International Motor Contest Association.

Thousands of Unsolicited Testimonials

This Saddle Outfit is the most extraordinary bargain ever offered to the farmers of Western Canada.
